General Information/Tips:

- **TIME:** Engagement Sessions last up to 3 hours. Please arrive at your scheduled time and be ready for photos. If you are running late, just text or call me to let me know.
- **LOCATION:** There are several locations available for our photography session and I have locations I can suggest. Keep in mind that some locations have fees and may require appointments. These fees are not included in my session fee and must be paid to the venue *prior* to our session start time. If an appointment is required, it is your responsibility to coordinate that. I do have contacts at some locations and I'll be happy to contact them for you.
- **WARDROBE:** Most sessions average 2 outfits. Make sure your clothing is wrinkle free, lint free, and spot free! Most importantly, make sure you feel comfortable in the outfit(s) you wear.
- **HAIR/SKIN:** Louisiana weather is famous for humidity. For some hair types it's not a big deal. For others it can cause curls to fall out or frizz. The wind can be a factor also. We will keep these things in mind when choosing our location.
 - Make-up is more important than you may realize. If worn, I recommend a matte finish make-up. Oily or shiny finish to skin is difficult to photograph and can cause bright spots on the face. If you have oily skin or sweat a lot, I'd recommend bringing some blotting papers or something for touch up.
 - Lips can dry out fast when taking photos outside. Please bring lipstick/lip gloss/chapstick/etc. and small mirror for touch up
 - Nails: Fingers and toes will most likely be photographed. Keep this in mind. I can't paint fingers or toes in the editing process, nor can I clean dirty ones.
- **PAYMENT:** Engagement Sessions fee is **\$350**. Payment for the session is due at the time of your appointment. I accept, Cash, Debit/Credit Cards, and Checks should be made payable to cst photography or Cheryle Totten.
- **PHOTOS:** Before the session, please visit my website to create a sign in/login at cstphotographyllc.zenfolio.com. This is where you will view your photos and make your selections. You will receive edited digital files (with photo release) on a flash-drive.

~~6x8 Customized Engagement Album with up to 35 images of your choice is available \$150

Final Notes:

- NO cell phone or other camera photos are allowed during our photo session.
- I welcome any ideas you have to make this session successful. I do not copy the work of other photographers; however, I can use this information for inspiration. It helps to know what your style is. Send any photos/information useful for inspiration to the number below.
- After our session, I will sort through all the photos we took that day. I will create a gallery for you that will contain two albums. One album will have some of my favorite photos edited; this will give you a sneak peek of the finished photos. The other album will contain "Proofs". From this album you will choose approximately 35 photos that you like. I will edit them and add to your "Edited" album.

I look forward to our photo session! If you have any questions or concerns PLEASE contact me. You can call or text me at 225-205-9137.

Thank you,

Cheryle S. Totten
